EXECUTE.

As a Business Attorney, Strategic Business Growth Expert and International Speaker, DeAnn has worked with entrepreneurs and business owners for over 25 years to create proper legal structures that form the foundation for a successful business.

DeAnn is passionate about sharing her wealth of legal knowledge to help business owners avoid costly mistakes and lawsuits.

DeAnn is a renowned business attorney who has received many commendations for her professionalism and dedication to entrepreneurship. She achieved the Martindale-Hubbell AV Preeminent Peer Review Rating, a prestigious honor for the highest ethical standards and professional ability awarded to only approximately 10% of attorneys.

Named a **"Woman to Watch"** by the Los Angeles Business Journal and honored as a **"Woman of Entrepreneurship"** by Comerica Bank and the Los Angeles Lakers, her firm was nominated as the **"Best Law Firm for Small Business"** by the Best of Small Business Awards.

DeAnn can cut through the uncertainty and confusion experienced by business legal issues. She is a frequent speaker & panel expert to groups large and small, and has been featured as a guest on many podcasts and radio programs.

“Entrepreneurs want to do things the right way, but they don't know what they don't know. When it comes to legal issues, entrepreneurs cannot afford to take chances. **”**

LEGAL ESSENTIALS FOR A SUCCESSFUL BUSINESS/PROFESSIONAL PRACTICE:

Now more than ever, it is critical for business and professional practice owners to put solid legal structures in place to protect their business and their personal assets from lawsuits. Dentists, Occupational Therapists, Physical Therapists, Chiropractors and other healthcare professionals are business owners, too! This talk can be customized to an audience of business owners or to a particular profession.

In this talk, attendees learn how to:

- Structure their business/professional practice with a solid business entity;
- Create and protect a unique brand;
- Key terms to include in every business contract;
- Build teams to scale and grow by properly hiring independent contractors and employees; and
- Much more!

PRINCIPLES FOR A SUCCESSFUL PARTNERSHIP:

The excitement of partners starting a new business venture is palpable. Too often, potential partners rush to get started with their business rather than taking time to make sure the foundation of their business is properly explored and documented.

In this talk, attendees will learn how to:

- Determine whether they have the basis for a strong partnership;
- Communicate their expectations for a successful partnership to their partner; and
- Create a solid partnership agreement.
